

ARE YOU RECEIVING EMERGENCY ALERTS AND INFORMATION FROM ATCHISON COUNTY?
IF YOUR ANSWER IS NO, HERE'S THE HOW TO!

CodeRED is a broad approach to information dissemination. This program not only texts, emails, has a mobile app, but also calls your phone and reads the message to you.

This product is great for ALL citizens, even those who do not utilize a smart phone and wish to receive alerts via recorded message to their phone.

If you know of family/friends/neighbors who might not be receiving current information/alerts, please assist them in signing up at the link below or they may call 660-744-6606 and receive assistance signing up.

If you are currently not receiving messages from Atchison County Emergency Management pertaining to COVID19, please sign up at:
