**What's Next?:** Besides salvation, how has God shown grace to you? Or perhaps, who has God used to show grace to you? Take time to consider His grace this week. Then, consider who might need to receive grace – even from you. Once you have a name, give that person the grace they need. Based upon my story, you never know how far that grace might extend.

**Prayer:** “God, open my eyes. Let them be open to see You, or to see You more clearly. Then, let me see others who need to know You and make me bold to tell them about You.”

**Weekly Nugget:** In 1 Kings 19, Elijah escapes to a cave within Mount Horeb. On this mountain, Elijah spoke with one on one with God. This mountain is also called Mount Sinai and is the same mountain that Moses spoke directly with God and where he received the tablets of stone containing the 10 Commandments.
