Prayer: *“Jesus, let us share your love with others, and tell them about the hope we have in You!”*

Weekly Nugget: Hope and love have been common themes on our Hub Sundays for over a year. Those two words intersect in Romans 5.5 which teaches us that our hope is truly because of the love God has shown us through the Holy Spirit. Now, we have an opportunity, and a responsibility, to let others know of our hope in Christ as we learn to love and serve them.
